

Application for Financial Assistance

Financial assistance is available for families who qualify for reduced tuition based on a sliding scale due to changes in their financial situation or their economic need. All applications are strictly confidential.

In order for the Financial Aid Committee to consider an application, every question on the application must be answered and the requested documentation demonstrating proof of income must accompany the application. Incomplete applications will not be accepted. Decisions regarding the application of financial aid and the reduction of tuition, if applicable, will be emailed to the Primary Parent/Guardian in approximately 10 business days.

Financial Aid does NOT exclude the financial responsibility of the family. Every family is responsible for tuition based on their ability to pay (with the exception of full scholarships).

Please submit the completed application and related documentation to tuition@cristoreyjesuit.org.
