

Cristo Rey Jesuit Golf Classic

April 11, 2022 | Golf Club of Houston

CRISTO REY JESUIT has the unique opportunity to host its golf tournament at one of Houston's premier tournament sites and the former site of the Houston Open, the exclusive Golf Club of Houston. The Member Course was designed by the renowned Jim Hardy and Peter Jacobson and the Tournament Course was designed by Rees Jones and David Toms. Their goal was to challenge the best players in the world while maintaining a positive experience for players of all skill levels. Held every other spring, the Cristo Rey Jesuit Golf Classic boasts city-wide record-breaking income in support of scholarships for students attending Cristo Rey Jesuit. Through Cristo Rey Jesuit's innovative work-study program, students will earn up to 50% of the cost of their own education. The balance of the funding for their education is raised through philanthropic support including this flagship event.
